## DOWNWARD COURSE

FAST BEING REALIZED BY LOUISA PEOPLE.

A little backache at first.  
Rapidly increasing till the back is lame and weak.  
Urinary disorders may quickly follow.  
Dropsy and often Bright's disease.  
This frequently is the downward course of kidney ills.  
Don't take this course. Follow the advice of a Louisa citizen.  
Jack Blankenship, foreman Construction Co., Plum St., says: "I have a lot of exposure while on duty as foreman, together with the jarring had a tendency to bring on kidney trouble. There were times I had to give up work as I was just down with my back. Sharp, shooting pains started through my back and kidneys and the kidney secretions passed irregularly and contained a sandy sediment. I went to the Louisa Drug Store Co., and got Doan's Kidney Pills. This medicine fixed me up in good shape and I have never been bothered since." 60c. at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
